

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Southern California Edison Company (U 338-E) For Authority to, Among Other Things, Increase Its Authorized Revenues For Electric Service in 2003, And to Reflect That Increase in Rates.

Application 02-05-004
(Filed May 3, 2002)

Investigation on the Commission's Own Motion into the Rates, Operations, Practices, Service and Facilities of Southern California Edison Company.

Investigation 02-06-002
(Filed June 6, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING
ON REQUESTS TO INTERVENE**

APS Energy Services, Inc. (APS) has filed a motion to intervene in this general rate case proceeding. APS states that the outcome of the proceeding has the potential for significant adverse impact on APS and its customers. APS does not seek to unduly broaden the scope of the proceeding, and it does not seek scheduling delays. The County of Los Angeles (LA County) has filed a petition to intervene in this proceeding. LA County states that it is one of Southern California Edison Company's largest customers, and that the authorization requested by the utility would, if granted, result in significantly higher rates for services that it obtains from the utility. Good cause appearing,

IT IS RULED that:

1. The request of APS Energy Services, Inc. (APS) to intervene as an active party in this proceeding is granted.

2. The request of County of Los Angeles to intervene as an active party in this proceeding is granted.

Dated September 26, 2002, at San Francisco, California.
